

West Campus Foundation for Excellence

January 2012

Dear Friend:

On March 17, 2012, the West Campus Foundation for Excellence (WCFE) will present "**St. Crabby Patty's Day!**" our 10th annual charity crab feed. Proceeds from this event will support the many clubs, academic, music and sports programs for the students of West Campus High School.

West Campus High School is a college preparatory school serving academically motivated students who reside in the culturally and economically diverse neighborhoods of Sacramento. West Campus was named a California Distinguished School by the California Department of Education in 2007 and a Blue Ribbon School by the U.S. Department of Education in 2008. West Campus has the highest API (Academic Performance Index) scores of all high schools in Sacramento County. More than ninety-seven percent of West Campus graduates attend a two or four-year college or university.

On behalf of the Foundation, teachers and students of West Campus High School, we would like to invite you to join us as a partner in this benefit by donating an item or service to be auctioned during the event at St. Mary's Giovanni Hall. As a donor, you will receive recognition during the event, as well as in the event program and promotional materials.

Support from caring organizations like yours has a direct impact on the quality of each student's educational experience. For more information on the event or if you are interested in attending and supporting us further, please feel free to contact me at 2012WCcrabfeed@att.net or 916-439-3199. Thank you in advance for supporting West Campus High School. We are deeply grateful for your generosity!

Sincerely,

Cathy Conrad
